

A FESTIVAL OF PRAISE

Missions Fest Alberta is really a “festival” and as we consider that aspect of the Conference, it naturally leads to celebration--the celebration of our God. Throughout the years, Missions Fest has emphasized worship and praise in General Assemblies and in the Sunday evening closing assembly, “Sing to the Nations.”

We are thankful for the many groups that have come to minister throughout the years, and we look forward to those participating this year.

WORSHIP

Join us in the spirit of worship 10 minutes before each Assembly.

SING TO THE NATIONS - SUNDAY 6:00 PM

Come celebrate with us!
