

## FOOD

### Concessions in the Lobby & Exhibit Hall

OPEN all Weekend. There will be a variety of snacks, sandwiches, salads, hamburgers, hot meals and other food items available.

Also available will be a variety of hot drinks, pop, juice, bottled water, etc.

## TRANSPORTATION & PARKING

Many people would like to attend the conference but have no way to get there. We encourage individuals, groups (youth, seniors, etc.) and Churches to either car-pool or provide a shuttle (Van or Bus) service for your family, friends and congregation. Let them know you are providing this and the details (times & pick up location). We also encourage you to let Churches in your area also know that you will be providing this service.

**N.B.** *When leaving the Parking Lot, we ask you to be Patient and Courteous so everyone can exit safely.*
