### General Needs:

For all those who have not yet heard the gospel of Jesus;

For our brothers and sisters around the world that live under persecution daily for their faith;

Spiritual covering and safety from attack – protection: Missions Fest Office and The Church At South Edmonton;

Promotion of the Conference through flyers, posters, advertising on radio stations, etc. that many would be challenged to attend the conference;

Churches – to be mission-minded; support and promote Missions Fest. For more churches to catch the vision of this ministry and also become a partnering church. For greater awareness of missions in our churches as we seek to work in unity to proclaim Jesus to the World.

### Conference Weekend:

- good weather
- for attendees to be able to safely travel.
- that many lives will be impacted and challenged and respond as God reveals His heart for the nations.
- divine appointments in the Exhibit Hall, Assemblies, Children's Ministry and all other sessions.
- that the Lord of the Harvest will call many to do their part to help fulfill the Great Commission.
- prayer warriors that will be interceding continually for this ministry and throughout the conference weekend.
