

PARTNERING CHURCHES

Missions Fest Alberta operates through evangelical churches who promote the conference in the following ways: keeping their church calendar as clear as possible to enable the congregation to attend; appoint official representatives (maximum of two per church) to help in the planning and in the recruiting of volunteers; and making an annual financial donation to support conference preparations.

If you are interested in receiving further information about being a Partnering Church, please contact the Missions Fest Office or stop by the Info Centre in the Exhibit Hall at the Conference.

We praise God for those who obey Christ's mandate to preach the Gospel to all nations and to make disciples.

THANK YOU to the following partnering churches:
